CHART 2	

SUMMARY

During the calendar year 2006 the Department of Economic Development offered the following incentives for the retention, expansion or start-up of businesses:

- Brownfield Jobs and Investment Tax Credit
- Business Use Incentives for Large-Scale Development
- CAPCO – Certified Capital Companies
- Development Tax Credit
- Enhanced Enterprise Zone Tax Credit
- Enterprise Zone Tax Credit
- Loan Guarantee Fee Tax Credit
- Missouri Customized Training
- Missouri Quality Jobs Programs
- New Enterprise Creation Act
- New or Expanding Business Facility Tax Credit
- Rebuilding Communities Tax Credit
- Urban Enterprise Loan Program

Total number of recipients was two hundred and twenty three(223), out of which one hundred and seventy seven (177) or 79% responded to the survey.

Out of two hundred and twenty three (223) recipients, only twenty four (24) or 10% were women-owned businesses. Most of these companies were organized as a Corporation with Subchapter S (13) or as a General Corporation (4). The women-owned businesses received a total of \$1.0 million in incentives or 2% of the total surveyed.

DESCRIPTION OF INCENTIVES PROGRAMS

BROWNFIELD REDEVELOPMENT, 447.700 – 447.718, RSMO

The purpose of this program is to provide financial incentives for the redevelopment of commercial and industrial sites that are contaminated with hazardous substances and have been abandoned or underutilized for at least three years. The program authorizes remediation tax credit, demolition tax credit and jobs and investment tax benefits.

BUSINESS USE INCENTIVES FOR LARGE SCALE DEVELOPMENT, 100.700-100.820, RSMO

The purpose of this program is to provide a financial incentive for the location or expansion of large business projects. The incentives are designated to reduce necessary infrastructure and equipment expenses if a project can demonstrate a need for funding. The program provides state tax credits to a business in the amount of debt service payments for industrial revenue bonds related to a portion of project costs.

CAPCO – CERTIFIED CAPITAL COMPANY, 135.500- 135.529, RSMO

The purpose of this program is to induce private investments into certified venture capital funds that invest in new or growing Missouri small businesses. Private venture capital firms apply to the department for certification as a CAPCO that make equity investments in eligible Missouri businesses.

DEVELOPMENT TAX CREDIT, 32.100-32.125, RSMO

The purpose of this program is to facilitate a business project in order to create new jobs. The program offers state tax credits to taxpayers making contributions to a non-for-profit corporation for projects approved by DED. The credits are for 50% of the contribution of cash or the value of certain types of property.

ENHANCED ENTERPRISE ZONE TAX CREDIT, 135.950 – 135.973, RSMO

The purpose of this program is to provide tax credits to new or expanding businesses in a Missouri Enhanced Enterprise Zone. Enhanced Enterprise Zones are specified geographic areas designated by local governments and certified by the Department of Economic Development. Tax credits may be provided each year for up to five years, based on tax credits reserved for the project.

ENTERPRISE ZONE TAX CREDIT, 135.200-135.270, RSMO

The purpose of this program is to provide tax incentives to facilitate the expansion of new or existing businesses in one of Missouri's many enterprise zones. Enterprise zones are specified geographic areas as certified by the Department of Economic Development (DED) based on demographic eligibility and approval of a request by the local governments. The credits are provided each year for up to ten years after the project commences operations unless the life of the enterprise zone expires before that time.

LOAN GUARANTEE FEE TAX CREDIT PROGRAM, 135.766, RSMO

The purpose of this program is to reduce the costs to small businesses in financing projects by providing tax credits for certain federal loan guarantee programs. DED will issue state income tax credits to an "eligible small business" for the amount of the guarantee fee paid to the U.S. Small Business Administration (SBA) or the U.S. Department of Agriculture (USDA) for a small business loan.

MISSOURI CUSTOMIZED TRAINING PROGRAM

The purpose of the program is to provide funding to Missouri employers for the training and retraining of new and existing employees. The Department of Economic Development, through the Division of Workforce Development, operates the program in cooperation with the Department of Elementary and Secondary Education. Missouri employers may apply for Classroom Training.

MISSOURI QUALITY JOBS PROGRAMS, 620.1875 – 620.1890, RSMO

The purpose of this program is to facilitate new quality jobs by targeted business projects. For "small and expanding" businesses, the benefits of the program are the retention of the state withholding tax of the new jobs. For "technology" and "high impact" businesses, the benefits of the program are (a) the retention of the state withholding tax of the new jobs; and (b) state tax credits, which are refundable and/or sellable. The program benefits are based on a percentage of the payroll of the new jobs. The program benefits are not provided until the minimum new job threshold is met and the company meets the average wage and health insurance requirements.

NEW ENTERPRISE CREATION ACT, 620.635 – 620.653, RSMO

The purpose of this program is to generate investment for Missouri startup businesses that have not developed to the point where they can successfully attract conventional financing or significant venture capital from large-stage funds. Prolog Ventures, LLC was selected as the Fund Manager to raise the tax refundable contributions and manage

the investments of the fund. Prolog will make investments in qualified Missouri businesses in need of early-stage or “seed” funding.

NEW OR EXPANDING BUSINESS FACILITY TAX CREDIT PROGRAM, 135.100-135.150, 135.258, RSMO

The purpose of the program is to provide tax incentives to facilitate the expansion of new or existing businesses in Missouri. State income tax credits are provided to the business based on the number of new jobs created and amount of new investment at the qualifying facility. The credits are provided each year for up to ten years after the project commences operations.

REBUILDING COMMUNITIES TAX CREDIT PROGRAM, 135.535, RSMO

The purpose of this program is to stimulate business activity in Missouri’s “distressed communities” by providing tax credits to eligible businesses that locate, relocate or expand their business within a distressed community.

URBAN ENTERPRISE LOAN PROGRAM, 620.1023, RSMO

The purpose of this program is to assist Missouri’s small business owners with the creation, expansion and retention of their business enterprises located in the St. Louis and Kansas City urban areas. The department contracts for the administration of a micro-lending program.
